WARNING

This document contains information affecting the national security of the United States within the meaning of the espionage laws U. S. Code Title 18, Sections 793 and 794. The law prohibits its transmission or the revelation of its contents in any manner to an unauthorized person, as well as its use in any manner prejudicial to the safety or interest of the United States or for the benefit of any foreign government to the detriment of the United States. It is to be seen only by personnel especially indoctrinated and authorized to receive information in the designated control channels. Its security must be maintained in accordance with regulations pertaining to TALENT-KEYHOLE Control System.

NOTICE

The report listed below substantially satisfies existing basic reporting requirements for this target. Minor changes are included under "Basic Description."

NPIC.

Plesetsk Missile and Space Center, USSR (Western Portion), Mar 68 (TOP SECRET RUFF)

50X1

BASIC DESCRIPTION

No significant changes have been observed in Launch Site 16 since June 1967, the cutoff date of the above report. Two small earth-mounded structures and two buildings are under construction along the access road to the west of the site. This activity does not appear to be related to Launch Site 16.
